AGENCIA PROVINCIAL DE LA ENERGIA DE HUELVA.

GENERAL DESCRIPTION:

The Agencia Provincial de la Energia de Huelva (Provincial Energy Agency of Huelva) is a non for profit organization, set up in 2001 under the auspices of the European Commission's SAVE Program, by the Diputacion Provincial de Huelva, Area de Desarrollo Local (Provincial Government of Huelva, Local Development Area).

OBJETIVES:

The association's aims and objectives are to:

- Promote the use of renewable energy sources.
- Encourage rational use of energy, energy efficiency and energy saving.
- Identify and promote local energy resources.
- Plan actions related to the energy industry in the province.

FUNCTIONS:

To achieve these objectives, its carries out activities such as:

- Planning and energy action studies on a provincial scale.
- Energy-related information and training events for the general public and special groups (technical seminars, courses, conferences, exhibitions, etc.).
- Advice to public institutions in the province.
- Development of innovative and demonstrative projects.
- Management of aid and administrative procedures for institutions and private individuals.
- Organisation of seminars for young students as part of the energy education programme.
- Activities of the Renewable Energy Interpretative Centre of the province of Huelva.
- Coordination and Management of Local Energy Action Plan and Sustainable Energy Action Plan in the province of Huelva.
- Technical advice to municipalities for saving and efficiency energy in local facilities and promote renewable energy.

REFERENCES/PROJECTS:

- Various projects under the European Commission's ALTENER and SAVE programmes, such as RESHOT, PROMOTE100 and the creation of the agency itself, etc.
- "100% RENET" project, under the EU's Fifth R&D Framework Programme.
- ENERSUR Project under the Interreg III A call for projects.
